

Top Reasons to Work

Benefits

We provide a competitive compensation package that helps you now and in the future. For your needs today, we offer medical plans, including prescription drug coverage, dental and vision care, flexible spending accounts, life insurance, education, paid holidays, an employee assistance program and more.

To help you plan for your future, we offer retirement plans, plus the opportunity for you to save through a 401(k) and a stock purchase plan.

Committed to Our Community

We've always had a strong commitment to the communities where we operate. The Safeway Foundation's giving efforts and the generous donations of our employees and members, millions of dollars in funds and merchandise are donated to support education, health and human services, relief and people with disabilities.
